CHAPTER I

INTRODUCTION

- 1.1** The Parliament enacted the Right to Information Act, 2005 (Central Act 22 of 2005) which was assented to by the President of India on 15/6/2005. The provision of the entire Act came into force w.e.f. 12th October, 2005.

1.2 **OBJECTIVES OF THE ACT**

The main objective of the Act is to enable the citizens to secure access to information under the control of the public authorities in order to promote transparency and accountability in the functioning of every public authority and also to contain corruption.

CHAPTER II

2.1 **CONSTITUTION OF STATE INFORMATION COMMISSION**

In pursuance of the sub-sections (1) of section 15 of the said Act, the Government of Goa by the notification No. 10/2/2006/LA dated 02/03/2006 published in the Official Gazette Series I No. 14 dated 02/03/2006 constituted Goa Information Commission consisting of State Chief Information Commissioner and one State Information Commissioner.

2.2 **APPOINTMENT OF STATE CHIEF INFORMATION COMMISSIONER AND STATE INFORMATION COMMISSIONER**

In terms of the provision of sub-section (3) of section 15 of the Act, Shri. A. Venkataratnam, IAS (Retd.) and Shri. G. G. Kambli, Retired, Goa Civil Service (Selection Grade Officer) were appointed as Chief

Information Commissioner and State Information Commissioner vide order No. DI/INF/Notification/6964 and No. DI/INF/Notification/6965 both dated 27/02/2006 respectively.

- 2.3** Shri. A. Venkataratnam, State Chief Information Commissioner and Shri. G. G. Kambli, State Information Commissioner subscribed their oaths of office on 21/03/2006.

CHAPTER III

OFFICE ACCOMMODATION

- 3.1** Initially, the Commission started functioning from the residence of Shri. A. Venkataratnam, State Chief Information Commissioner and thereafter, temporarily, the Government allotted two shops both admeasuring 78.29 sq. mts. on the Ground Floor of Shrama Shakti Bhavan, Patto Plaza, Panaji, the possession of which was handed over on 8/6/2006.
- 3.2** The Commission continues to function from the said premises though it was too inadequate and lack basic amenities. The Commission has to face lot of difficulties and embarrassment as the advocates, officers and citizens who attend the hearings before the Commission were made to stand in the varandah i.e. passage of the premises. The Commission cannot hold its sittings in the open Court.
- 3.3** The Commission had identified a vacant premises at 4th floor situated at Patto Plaza belonging to Goa State Co-operative Bank Ltd. The Bank quoted the monthly rent of Rs.1,17,375/- and maintenance charges of Rs.85,000/- per month. The P.W.D. had assessed the monthly rent at Rs.1,17,375/- excluding maintenance charges. The Government did not agree with the proposal to take on lease the premises belonging to the Goa State Co-operative Bank Ltd. and asked to seek further clarification

from the P.W.D. The matter has been referred to the P.W.D. for clarification on 25/2/2008 but the Commission did not receive any response from the P.W.D. (till the August, 2008).

- 3.4** In the meantime, the Commission released advertisement in the local newspapers inviting offers from the owners/builders to take on lease the premises but there was no response. Hence, second advertisement was released and the Commission has received the offers from LIC Ltd. and the Condor Polymeric Pvt. Ltd. offering their premises on lease. The matter was referred to the P.W.D. to assess the reasonability of the rent and the maintenance charges quoted by the bidders which was received on 3/04/2008. Thereafter, a proposal was sent to Government recommending the premises of Condor Polymeric Pvt. Ltd. on 8/5/2008. Though the administrative approval was given by the Government on 5/6/2008, the Finance Department did not agree to the proposal (09/07/2008). Because of inordinate delay in the decision by the Government and the Finance Department, the premises of both L.I.C. and Condor Polymeric Ltd. were also not available as they were already leased put. Thus, neither the Government provided proper premises to the Commission nor was it allowed to hire from private source.

CHAPTER IV

OFFICERS AND STAFF

4.1 SECRETARY

Shri. P. S. Meena, Civil Service Officer from selection grade continued as the Secretary of the Commission during the period under report.

4.2 UNDER SECRETARY –CUM – REGISTRAR

The post of Under Secretary remained vacant practically for the whole year as the Government did not fill up the said post. Shri. Ajit Panchawadkar who was appointed as an Under Secretary continued only for short period from 24/07/2007 to 03/09/2007 (40 days). Even during this time, he could not devote his entire time to his job as he was holding additional charge of another post. Thereafter, the Government appointed Shri. N. Prabhudesai as an Under Secretary who never reported and subsequently the Government kept the order in abeyance. Till the end of this year, no officer has been appointed as Under Secretary. The post of Under Secretary is also designated as a Public Information Officer and also functions as the Registrar of the Commission. Being Registrar of the Commission, Under Secretary has to discharge certain statutory duties under the Rules framed under the RTI Act. Besides being a Public Information Officer, all statutory duties are also assigned to the said post. The Commission could not appoint any other officer as Public Information Officer simply because there is not even one more officer of his rank. It is unfortunate that the Commission which gives orders to the public authorities to designate their Public Information Officer, itself does not have Public Information Officer.

4.3 The post of Section Officer was vacant from 1/9/2007. After a lot of correspondence, another Section Officer has reported for duties on 5/2/2008. Though the provisions of Section 16(6) of the RTI Act contemplates that the Government shall provide adequate staff to the Chief Information Commissioner and State Information Commissioner for smooth and efficient functioning of the Commission, no personal staff was provided to the Chief Information Commissioner and State Information Commissioner. It is also note worthy to mention here that no post of Driver was sanctioned to the State Information Commissioner though a vehicle was purchased. The proposal for creation of additional posts

including that of Driver was rejected by ARD. It is only when the matter was taken up again with the ARD, the ARD has recommended sanction of one post of Driver, 3 posts of Stenographer Grade – I and one post of Stenographer Grade – II, towards the fag end of the year on 15/02/2008. They are yet to be appointed. The Government in the Finance Department laid down the pattern of personal staff (4 persons) of the Chairman/Vice Chairman of the Corporations/Autonomous bodies by their order dated 5/9/2002. The Commission is an autonomous body as per section 15(4) of the Right to Information Act. The State Election Commission is allowed the personal staff as per this order. The Information Commission is neither allowed to recruit its own staff nor is given the minimum personal staff as per the already laid down Government order. So much for the autonomy of the Information Commission. The ARD rejected the proposal for the creation of the posts of an Accountant, Assistant and Peons.

4.4 SERVICE CONDITIONS OF THE OFFICERS AND STAFF

The Government vide notification No.DI/INF/RTI/2006/4531 dated 01/11/2006 has prescribed the service conditions of the officers and other employees of the Commission. The rules framed by the Government provided that the employees of the Commission are to be appointed either from transfer or on deputation only from the Department of Information and Publicity leaving no scope for the Commission to select the employees from other departments/offices which are totally in contravention of the provision of section 15(4) of the RTI Act. Besides, the Director of Information and Publicity has retained the powers of the appointing authority of the employees of the Commission thereby having dual control over the employees of the Commission. In other State Commissions, the employees are appointed by the Commission either on deputation from various departments/private organizations and even on contract basis which is not the case of the Goa State.

The Commission has suggested certain amendments to the existing rules and the proposal has already been forwarded to the Director of Information and Publicity vide note dated 10/03/2008. Nothing is yet heard about the proposal (July, 2008).

CHAPTER V

FUNDS

- 5.1** An amount of Rs. 80.00 lakhs has been provided under Budget Head 2220, 03 (Goa State Information Commission) (Plan) to meet the expenses of the Commission. Though the powers to the Secretary to the Government are delegated to the Secretary of the Commission, for each and every proposal, the Commission has to approach the Government and the Finance Department for concurrence. The powers of the Secretary to the Government are also delegated for limited purpose. During the financial year 2007-08, the Commission has incurred an expenditure of Rs.43.78 lakhs.
- 5.2** During the next financial year (2008-09), an amount of Rs.86.00 lakhs has been provided in the budget estimate.

CHAPTER VI

HEAD OF THE DEPARTMENT

- 6.1** The Secretary of the Commission has not yet been declared as the Head of the Department for the purposes of Goa Delegation of Financial Power Rules, 1997, even though the Commission right from its inception is insisting the same.

6.2 BUDGET CONTROLLING AUTHORITY

The Secretary is also not declared as the budget controlling authority though separate budget heads are provided to the Commission. As a result, the Director of Information and Publicity continues to be the budget controlling authority of the Commission which is in gross violation of the provision of section 15(4) of the RTI Act. The Government has not even informed its inability to do so. (June, 2008)

CHAPTER VII

ACTION TAKEN ON FIRST REPORT

7.1 The Commission submitted its first annual report to the Government on 27/07/2007 which was laid on the table of the house on 24/03/2008 without an action taken report. In the first report, the Commission has made various recommendations as follows: -

- (viii) To publish in the booklet form all the information of the Public Authorities as required by Section 4(1)(b) of the Act within a period of 3 months.

- (xii) To give directions to all the Public Authorities to update and publish the information from time to time as required by Section 4(1)(b) of the Act.
- (xiii) To prescribe the procedure and the form in which the request for access to information shall be made to the PIO within a period of 3

months as required by clause (c) of sub-section (3) of Section 26 of the Act.

- (xiv) To frame the remaining Rules as are required under the various provisions of the Act, within a period of 3 months.
- (xv) The competent authorities to frame their Rules within a period of 3 months as required by Section 28 of the Act wherever such Rules are not made.
- (xvi) To encourage and assist the NGOs to conduct the awareness campaign about the RTI Act amongst the rural people.
- (xvii) To include the post of the Secretary to the Information Commission in the list of the Heads of the Department in Annexure II appended to the Goa Delegation of Financial Power Rules, 1997.

7.2 The Department of Information and Publicity has informed that the Goa Institute of Rural Development and Administration had organized various workshop/orientations programmes for various functionaries. As can be seen from the information furnished by the Director of Information and Publicity, during the year under report, in all 13 training programmes/workshops were organized, in which 335 numbers of Government officials/academic institutions participated. A list of the officers who were trained is at **Annexure VII**. The Director of Information and Publicity has informed that 189 public authorities in the State are covered under the Right to Information Act and almost all the public authorities have complied and published necessary information on the NIC website. However, in an Appeal No. 127/2007 he has filed the details of the public authorities which have complied with the provisions of section 4(1)(b) of the Right to Information Act. As per the information submitted in the said case, some of the public authorities have not yet complied with the preparation of 17 points manuals. The list of the authorities who complied are shown in **Annexure VIII**. Wherever, they are published on the website, the information is not available on one web page. It has to be

accessed separately for each manual. The provisions of section 4(1)(b) of the Right to Information Act are mandatory in nature and all public authorities were required to publish the 17 points manuals within 120 days from the date of the enactment of the Act. Though more than 2 years have lapsed some of the public authorities have not complied with these mandatory, statutory provisions. We hope that the authorities which have not yet complied with the provisions of the section 4(1)(b) will do so immediately without any further delay. The one of the recommendations of the Commission was to issue directions to all the public authorities to maintain all the records duly catalogued and indexed as required by section 4(1)(a) of the Right to Information Act. However, the Commission has observed in some of the cases that the public authorities have not yet indexed and catalogued the records and some times reply is given to the citizens that the records are not traceable/available. This work of indexing and cataloguing has to be taken on war footing. The Commission has also recommended the Government to prescribe the procedure and the form in which the request for access to information is to be made within a period of 3 months as required by clause (c) of sub-section (3) of section 26 of the Act. The Government has not yet implemented these recommendations. The Commission has also made the recommendation that the competent authorities to frame their rules within a period of 3 months as required by section 28 of the Act wherever such rules are not made. The Commission has observed that the Hon'ble High Court of Bombay has not yet published their rules in the Official Gazette and hence, the present report does not covered the statistics of the various courts in the State of Goa. The Department has informed that the awareness campaign was conducted for the NGOs and 30 NGOs were present for the campaign. The steps should be taken to implement the remaining recommendations of the Commission.

CHAPTER VIII

A list of cases wherein the penalty proceedings are initiated is placed at **Annexure III**.

CHAPTER X

OBLIGATION OF THE PUBLIC AUTHORITY

10.1 INDEXING AND CATALOGUING OF RECORDS

Section 4 is a heart of the RTI Act which casts an obligation on every public authority. In terms of clause (a) of sub-section (1) of section 4 of the Act, to maintain all its records duly catalogued and indexed in a manner and the form it facilitates the right to information under RTI Act and ensure that all the records that are appropriate to be computerized within a reasonable time and subject to the availability of the resources.

- 10.2** While deciding some appeals/complaints, the Commission has observed that a Public Information Officer give the reply stating that the records are not traceable/available. In some of the cases like Department of Town and Country Planning, Collectorate North and South, Directorate of Panchayats etc., the Commission has given a direction to take up the

work of indexing and cataloguing of the records on priority basis so as to facilitate the Public Information Officer to provide the information to the information seekers, within the specified time.

10.3 It is high time that all the records of every public authority and specially records of the Institutions of self government like the Panchayats, Municipal Councils are required to be indexed and catalogued and also computerized on war footing.

10.4 PUBLICATION OF THE DETAILS OF THE ORGANIZATION

The clause (b) of section 4 (1) lays down the details of the particulars which are required to be displayed by every public authority. In fact, these details were required to be published and displayed within 120 days from the date of the enactment of the RTI Act. The Commission had observed that the provisions of section 4(1)(b) which are of mandatory nature were not complied with by most of the public authorities. As per the report received by the Commission from various public authorities, list of the public authorities which have complied with these provisions are shown in **Annexure VIII**.

10.5 These particulars are also required to be updated from time to time by every public authority.

10.6 Further a duty is cast on every public authority to provide reasons for its administrative or quasi-judicial decisions to the affected persons in terms of the provision of section 4(1)(d) of the RTI Act.

CHAPTER XI

DUTIES AND RESPONSIBILITY OF THE GOVERNMENT

11.1 Section 26 of the RTI Act lays down the steps which needs to be taken by the Government subject to the availability of the financial and other

- (m) notice regarding fees to be paid in relation to request for access to an information;
- (n) any additional regulation or circulars made or issued in relation to obtaining access to an information;

11.2 The Commission is not aware of any of the steps taken by the Government in order to comply with the provisions of section 26 of the Act;

11.3 The Commission is also not aware of

- (i) any educational programme has been organized or developed by the Government during the period under report to advance the understanding of the public in particular of disadvantages communities as to how exercise the rights contemplated under Act or
- (ii) any programme organized by the Government to encourage public authorities or
- (iii) any steps taken by the Government to promote timely and effective dissemination of accurate information by public authorities about their activities so also

11.4 The Director of Information and Publicity has published the list of Asst. Public Information Officers, Public Information Officers and First Appellate Authorities. However, this list does not contain the detailed address, phone and fax number and email address of the Public Information Officer. The same has not been published in accordance with provisions of section 26(3)(b) of the Act.

- 11.5** Though more than two years have been passed from the enactment of the Act, the Government has not compiled in its official language a guide containing the information in comprehensible form and manner reasonably required by a person who wishes to exercise any right conferred under the Act as required by sub-section (2) of section 26 of the Act.

CHAPTER XII

FRAMING OF RULES

- 12.1** As per section 27 of the RTI Act, the Government has to make the rules under the various provisions of the RTI Act. So far the Government of Goa has prescribed the following rules: -
- I) Goa State Information Commission (Appeal Procedure) Rules, 2006;
 - II) Goa Right to Information (Regulation of Fee and Cost) Rules, 2006.
- 12.2** In terms of section 28 of the Right to Information Act, the Competent Authorities are empowered to make rules to carry out the provisions of the Act. The office of the Governor has adopted the Rules framed by the Government.
- 12.3** The Hon'ble High Court of Bombay has not yet published the rules in the Official Gazette of Goa and therefore, the Commission is not receiving any returns from the District Courts and subordinate Courts.

CHAPTER XIII

DISPOSAL OF APPEALS AND COMPLAINTS BY THE COMMISSION

- 13.1** As on 01/04/2007, 20 appeals were pending for the disposal before the Commission. The Commission received 150 appeals during the period

under report and disposed off 136 appeals as on 31/03/2008. 34 appeals are pending for disposal. The details are shown in **Annexure II**.

13.2 Similarly, 16 complaints were pending at the commencement of the year, 90 complaints were received and 82 complaints were disposed off during the period under report. The details are shown in **Annexure I**.

13.3 PENALTIES

During the period under report, the Commission imposed the penalties in 7 appeals and 5 complaints. The name of the Public Information Officer and the amount of penalties imposed on them are shown in **Annexure IV**. Some of the Public Information Officers and first Appellate Authorities have filed writ petition before the Hon'ble High Court. The Hon'ble High Court in Writ Petition No. 435/2007 has passed an order dated 04/04/2008 stating that the Information Commission should not be represented before Hon'ble High Court by an Advocate. However, it has been observed that even in cases when no penalties or disciplinary proceedings are recommended, orders of the Commission allowing the second appeals in favour of the citizens are challenged before the Hon'ble High Court by the Public Information Officers and first Appellate Authorities. The Public Information Officers and the first Appellate Authorities are exercising quasi-judicial powers under the Right to Information Act, as their decisions are appealable. It is also noticed that the Public Information Officers and first Appellate Authorities are provided services of Government Counsels/Government Advocates in filing the Writ Petitions before the Hon'ble High Court.

13.4 WARNING

Apart from imposing the penalty proceedings, the Commission has taken lenient view in certain cases where the Public Information Officers

have erred for the first time and therefore, the Commission has issued the warning to the Public Information Officers in some of the cases.

13.5 DISCIPLINARY PROCEEDINGS

The Commission has recommended the disciplinary proceedings against Shri. Shekhar Prabhudesai, Supdt. of Police, South Goa District, Margao who is the Public Information Officer for non complying with the order of the Commission.

13.6 During the last year, the Commission had directed the Principal Chief Engineer to inquire into the matter as regards to the issue of contradictory information by two different Executive Engineers and fix accountability. Surprisingly, the Principal Chief Engineer entrusted the said inquiry to the then Public Information Officer who did not conduct the inquiry on the points raised by the Commission. Upon the complaint from the citizen, the matter has been referred to Secretary (PWD) for taking appropriate action in the matter.

13.7 The Director of Panchayats was directed to inquire into the missing records pertaining to the Village Panchayat Calangute. The outcome of the inquiry report is not known.

13.8 MISSING RECORDS

In 2 cases, the Commission has directed the Public Information Officer to file an FIR with the Police Station for the missing records. The Commission has referred the case pertaining to the Hospicio Hospital, Margao to the Secretary (Health) in Appeal No. 31/2007-08 as the records pertaining to the taking over the assets and liabilities are not available, and the Director of Accounts has declined to carry out any special audit,

CHAPTER XIV

RECEIPTS AND DISPOSAL OF REQUESTS BY THE PUBLIC INFORMATION OFFICER

14.1 As per the information received by the Commission from various Public Authorities, 5711 requests were received and 4976 requests were disposed off by the Public Information Officers in time and 601 were disposed off after the time allowed. The details are shown in **Annexure IX**. Maximum number of requests 1281 were received by the Panchayat Department. The request received by top 5 Departments are 2308, which constitute 48% of total requests received. The details are at **Annexure VI**.

14.2 APPEALS

As per the last year report of the Commission, 22 appeals were pending for disposal with the various First Appellate Authorities. As per the reports received from the public authorities, 362 appeals were filed and 266 appeals have been disposed off by the various public authorities. The details of which are shown in **Annexure X**. Maximum number of First and Second appeals were filed against Panchayat Department.

14.3 REJECTION OF REQUESTS

In all 134 requests were rejected by various Public Information Officers out of 5711 filed before them (2.34%). In 96 appeals, the First Appellate Authorities did not pass any order, out of 362 first appeals before them (26.51%). The appeals were filed not only against rejection but also where part information or incomplete/incorrect information was given. Thus, we can see that the Public Information Officers have generally given the information though not to the full satisfaction of the citizens. However, the First Appellate Authorities, were generally found to

be wanting in discharge of their duties. The Commission could not act against them as there are no penal provisions in the Right to Information Act against the First Appellate Authorities. 136 Second appeals were disposed out of 170 Second appeals filed.

14.4 AMOUNT OF FEES AND CHARGES COLLECTED

The total amount of Rs.41,507/- towards the fees and Rs.1,34,277/- towards the amount of charges have been collected by the various public authorities under the Act during the financial year.

CHAPTER XV

15.1 RECOMMENDATIONS

The Commission makes the following recommendations to the Government for a time bound action: -

- i) To conduct/organize training programme specially to the Public Information Officers, Assistant Public Information Officers and first Appellate Authorities in a phased manner and so that 100% training is achieved;
- ii) To take up the work of indexing and cataloguing of the records on war footing and make the list available on the website;
- iii) To constitute a State Level Committee under the Chairmanship of Chief Secretary to ensure the proper implementation of the RTI Act. The Secretary of the Commission may also be taken as one of the members of the Committee;
