The below order is passed in the above matter on

O R D E R

"Taken up before CIC:

**Appellant present in person. PIO represented by Adv.
K. L. Bhagat present. As directed the appellant files
an affidavit affirming therein that she has sought the
information in individual and personnel capacity as
citizen of India and that letter head used for the said
application was only for communication purpose.**

...2/-

At para 3 of the affidavit the appellant has further submitted that the PIO, Director of Education has already furnished the desired information to her.

In the above circumstances I find no grounds to proceed with the present appeal with reference to prayer I, II, III of the appeal memo.

With reference to rest of the prayers I find that as per the reply of the PIO herein it was intimated to the appellant by letter dated 26/07/2016, which is within the stipulated time, that the entire file is not held by it and the same is sent to the concerned school. Considering the above I find no grounds to grant the other relieves.

Appeal is therefore dismissed as nothing survives. However rights of the appellant to seek further and additional information by filing separate application are kept open. Pronounced in the open proceedings. This Order to be communicated."
