O R D E R

Matter called before division bench. None present till 12.00 noon. Matter called again at rising of Court, none present.

It appears that complainant is not interested to clarify the office objection. We find that the present complaint is not maintainable as observed in office objection raised by the registry. Similar orders are also passed by the full bench of this Commission. In other similar cases where the complaints are filed without filing first appeals under section 19(1) of the RTI Act.

In the result the office objection is upheld. Proceedings closed.
