ORDER

1. The second appeal filed under Section 19 (3) of the Right to Information Act, 2005 (hereinafter referred to as the 'Act') by the appellant, against Respondent Public Information Officer (PIO), came before the Commission on 28/03/2023.
2. The brief facts of this appeal, as contended by the appellant are that he had sought certain information from the PIO. Upon not getting complete information within the stipulated period, appellant filed appeal before the FAA. FAA while disposing the appeal directed the PIO to furnish information within eight days, yet the PIO failed to comply with the said direction. Being aggrieved, appellant preferred second appeal before the Commission.
3. Notice was issued to the concerned parties and the matter was taken up for hearing. Appellant appeared and pressed for information. Advocate Narayan R. Pai appeared on behalf of the PIO and undertook to furnish the information on the next date of hearing.
4. Upon perusal of the records of the present matter it is seen that, the appellant vide application dated 04/01/2023 had sought information on 04 points and PIO had furnished within the stipulated period information only on point no. 3 and 4. While the first appeal filed by the appellant was heard by the FAA, appellant remained present

however, PIO did not turn up before the FAA inspite of sufficient opportunities provided to him. FAA directed the PIO to furnish information sought by the appellant free of cost, within eight days.

5. The Commission observes that, the PIO neither remained present before the FAA, nor complied with the order of the FAA. Finally, Advocate Narayan R. Pai appeared on behalf of the PIO before the Commission, during the present proceeding on 11/05/2023 and apologised for the delay in furnishing the information. Advocate Narayan R. Pai on 01/06/2023 undertook to furnish complete information to the appellant and accordingly, information was furnished to the appellant on 23/06/2023 and the same was received and acknowledged by the appellant.
6. This being the case, the Commission concludes that, the information sought by the appellant vide application dated 04/01/2023 has been furnished. Thus, the prayer for information becomes infructuous and no more intervention of the Commission is required in the present appeal proceeding.
7. However, PIO needs to be censured for the delay in furnishing the information. Information which was furnished during the present proceeding was available in the records of the PIO and he could have provided the same to the appellant within the stipulated period of 30 days. Section 7 (1) of the Act requires PIO to furnish the information or to respond to the application as expeditiously as possible, and in any case within 30 days of the receipt of the request. In the present matter, the Commission takes serious cognisance of the fact that PIO failed to honour Section 7(1) of the Act, as well as failed to comply with the direction of the FAA.
8. Thus, Shri. Amrit Sakhalkar, PIO and Secretary of Village Panchayat Chicalim is warned to hereafter respond to the applications received under Section 6 (1) of the Act, as provided by the law and any violations by the said PIO will be viewed strictly as per the provisions of the Act.
9. In the background of the facts as mentioned above, the present appeal is disposed accordingly and the proceeding stands closed.

Pronounced in the Open Court.

Notify the parties.

Authenticated copies of the order should be given to the parties free of cost.

Aggrieved party if any, may move against this order by way of a Writ Petition, as no further appeal is provided against this order under the Right to Information Act, 2005.
