(22/02/2011)

1. The complainant, Allan Falleiro, has filed the present complaint praying that information be provided and for imposing fine.
2. It is the case of the Complainant that, vide his application dated 12/11/2010, he sought certain information under Right to Information Act 2005 ('RTI' Act for short) from the Public Information (PIO)/Opponent. That information was not furnished within the statutory period and hence the present complaint.
3. The case of the opponent is fully set out in the reply which is on record. It is the case of the opponent that information sought was with Dy.GM(A) and Dy. GM(E) and they were requested to furnish the same. That they submitted the same on 13/12/2010 and the said information was furnished to the Complainant on 17/12/2011. That whatever delay was the same was as the information was to be collected from other authority.
4. Heard both sides and perused the records. It is seen that information was sought on 12/11/2010 and the reply was furnished on 17/12/2010. Since the information was not furnished in time the complainant filed the present complaint on 16/12/2010.

During the course of arguments the complainant states that he has received the information. He is satisfied with the same and that he has no grievance.

5. It is seen that information was with Dy. GM(A) AND Dy GM(E) and the same was to be received from them. Of course, there is a delay of 4/5 days, however, in the factual back drop of this case the same is to be condoned.

6. Since information is furnished no intervention of this Commission is required.

Hence I pass the following order:-

O R D E R

No intervention of this Commission is required.

The complaint is disposed off.

The complaint is accordingly disposed off.

Pronounced in the Commission on this 22nd day of February, 2011.
