(28.02.2011)

1. The Appellant has preferred the present Appeal praying for certain documents as information.

2. It is the case of the Appellant that he requested the Village Panchayat of Siolim – Marna to demolish illegally constructed wall and the Village Panchayat issued notice to one Shri C. Fernandes who went in appeal. That the Appellant herein was not made a party so he intervened in the matter and finally it transpired that the said Peter had purchased certain land. In order to get certain documents the Appellant preferred an application under Right to Information Act, 2005.

3. The reply of the Respondents is on record. Respondent No. 1, F.A.A. has mentioned about file, etc. order passed, etc.

4. It appears that file was not with one authority and as such the application was sent to one or the other authority. Finally it appears that information was furnished.

5. Today the Appellant has filed an application stating that the Respondent No. 1 has furnished the information i.e. requested documents and that he prays to close the case.

6. I have carefully gone through the records of the case. It is seen, as admitted by appellant, that the information/requested documents have been furnished. The Appellant is satisfied with the same and has no grievance of any sort.

No doubt that there is some delay. However, the file was not traceable initially and finally the same was traced. Under the circumstances delay ought to be condoned.

7. In view of all the above, I pass the following Order:

ORDER

No intervention of this Commission is required as information is furnished. The Appeal is disposed off.

The Appeal is accordingly disposed off.

Pronounced in the Commission on this 28th day of February, 2011.
