## **ORDER (Oral)**

<b>RTI Application dated:</b>	<b>03/10/2012</b>
<b>PIO reply on:</b>	<b>02/11/2012</b>
<b>First Appeal Filed on:</b>	<b>27/11/2012</b>
<b>FAA Order dated:</b>	<b>08/01/2013</b>
<b>Second Appeal filed on:</b>	<b>26/02/2013</b>

This Second Appeal is filed on 26/02/2013 and it arises out of original RTI application dated 03/10/2012, filed before the PIO, Directorate of Health Services, Campal, Panaji – Goa to whom the main question asked was “*Provide the list of Powers and duties of the medical officers*”.

On the date of hearing following Roznama was recorded:

*“Appellant absent Dir. of Health, Dr. Sanjeev Dalvi & Dir. Adm. of Health Raju Gawas are both present. Also the PIO, namely Dy. Dir. HB are also present.*

*They submit as below:*

*1) All necessary information reg. Sec. 4 of RTI has been now put on website. Nearly 320 pages have been added after receiving Govt. Approval to the job charts etc. on 8/4/2014.*

*Information as asked by Appellant reg. authority and responsibility of various offices/Medical Officers has been supplied by speed post on 24/1/2014 and 22/4/2014”.*

As explained by Dir. the non availability of information on website was not intentional last had remained, being bulky. As it is implemented now he prays for closing the matter. The appellant has received the replies & has remained absent today.

I also find that the Health Directorate, having now supplied all information, the matter may be closed now as complied with provisions of RTI Act.

Since the appellant has received information and has remained absent despite of knowledge, there is reason to presume that he has no further interest in perusing the matter further.

Accordingly the case is closed, as partly allowed.

Order declared in open Court. Inform the parties.
