Called at 11.15 a.m.

Complainant absent. Respondent No. 1 present. Respondent No. 1
filed reply alongwith copy of information sent to Adv. Shri Bhupesh
Prabudessai. The same is taken on record. Posted on 25/11/2009.

Later on Complainant Bhupesh Prabhudessai present. He stated
that he received the information through post but late. Respondent No. 1
has stated that information was already sent. I have perused the copy
attached to the reply. I have ascertained from the Complainant that he
received the copy. The only point that remains now is whether there is
delay. Apparently there is some delay. But then the same is satisfactorily
explained. Besides the Complainant is also satisfied about the same and
he does not press for the same and wants to withdraw the application. In
the factual matrix of this case request to withdraw the application is
granted. The application is disposed off as withdrawn.
