Opponent, Shri Agnelo Fernandes, present.

**ORDER**  
(11.12.2009)

1. The Complainant, Smt. Hycintha Amanna, has filed this complaint praying that she may be granted the relief as prayed in the complaint.
2. It is the case of the Complainant that by an application dated 30.03.2009 she had asked for certain documents from the Opponent. All were given but one document has not been given and hence the present complaint.
3. Opponent was present. He did not file any reply as such but advanced the arguments. In short according to him all documents are given.
4. I have heard both sides and perused the records. It is seen that the application is dated 30.03.2009. As per the same, five documents were asked. When asked, the Complainant stated that all the documents have been furnished and the document regarding Vincentina has not been furnished. It is seen that the

application does not mention about Vincentina. It is but natural such a document is not given.

On the record there is one more application dated 11.08.2009. It appears that the same has been granted and Complainant has no grievance about the same. But it is interesting to note that in this also there is no mention about Vincentina.

6. Faced with this the Complainant admits that she has not asked any document about Vincentina. In other words it appears that the Complainant was under mistaken notion that the document has not been furnished. In any case the complaint deserves to be dismissed as there is no cause of action.

Needless to add that if Complainant wants any fresh information she will have to ask for the same afresh with the concerned authority.

In view of the above the complaint is hereby dismissed.

Panaji dated 11<sup>th</sup> December, 2009.
