ORDER **(09-12-2009)**

1. The Complainant, Shri Rosendo dos Remedios Furtado, has preferred this Complaint praying for a direction to furnish the information and for penalty.

2. The brief facts leading to the present Complaint is that by an application dated 24/04/2009 (presented on 29/04/2009) the Complainant sought some information from Public Information Officer, Corporation of City of Panaji. That the Public Information Officer sent the letter to the Panjim Municipal Market Tenants Association as the information related to his department. However, no reply or information was furnished and hence, the present Complaint.

4. Heard both sides and perused the records. It is seen that application under Right to Information Act was presented on 29/04/2009 by the Complainant and necessary fees were paid. It is seen from Exhibit 3 i.e. letter dated 12/05/2009, Public Information Officer sent the said letter to the Secretary, Panaji Municipal Market Tenants Association, Panaji - Goa. Alongwith Exhibit 3 there is also a letter mentioning that Shivram Salgaonkar was the member in 2001 and thereafter the said place was occupied by some other Vendor and membership of Shivram Salgaonkar is invalid. This letter answers the query of the Complainant. Letter produced to-day mentions that Mahesh Salgaonkar is not a member and that his name is not recorded in any group of Vendors.

Faced with this the Complainant does not press any further. As information is already there no further intervention from the part of the Commission is called for.

The Complaint is disposed off accordingly.
