**CORAM:** Shri M. S. Keny, State Chief Information Commissioner

Complaint No. 144/SCIC/2010

Mr. Ajit S. Porob,  
"Shashi Sadan",  
H. No. 133/3,  
Palmar – Pomburpa,  
Bardez – Goa.

..... Complainant.

V/s.

Public Information Officer,  
Executive Engineer,  
Division XVII (PHE-N),  
P.W.D., Porvorim – Goa.

..... Opponent/Respondent.

Adv. S. Parab for Complainant.

Opponent in person.

## **ORDER** **(29-04-2010)**

1. The Complainant, Ajit S. Porob, has filed the present Complaint praying that records and proceedings before Public Information Officer be called for; that the Opponent be directed to furnish the information sought by the Complainant free of charge; for disciplinary action and for penalty.

2. It appears that the Complainant filed an application seeking certain information under the Right to Information Act, 2005 ('RTI' Act for short). Probably information might not have been given and as such the Complainant preferred this Complaint.

3. In pursuance of the notice, the Respondent appeared today. The Complainant was absent. However, his Advocate S. Parab was present. Advocate for the Complainant stated that the Complainant has received the information. That Complainant is satisfied with the same and that the Complainant has no grievance and as such Complainant does not wish to proceed further. The Respondent on their part also submitted the same.

4. I have perused the records of this case. Strangely in this case the application of the Complainant is not annexed. Only letter dated 18/2/2010 of the Opponent is on record in the form of Exhibit 'A'. The same is also signed by the Executive Engineer, Division XVII (PHE-N), PWD. There is a glaring defect in this letter in connection with the date. Anyway since the Complainant is satisfied with information, I need not delve further in the matter.

5. Since the information is furnished, no further intervention of this Commission is required and hence, the Order: -

“The information is already furnished. No further intervention is required. The Complaint is disposed off accordingly.”

Pronounced in the Commission on this 29<sup>th</sup> day of April, 2010.
