ORDER

The brief facts, in this case, are mentioned in the second appeal filed by the Complainant against the Opponent. A final order was passed by the Commission on 01/03/2007 directing the Opponent to give certain information requested by the Complainant on or before 6/3/2007. The Opponent has given 9 documents on 03/03/2007. The Complainant was not satisfied and asked for more information on 20/3/2007. Then, the Opponent furnished some more documents on 25/07/2007. Further, the Complainant asked for the inspection of files of the college in which the records are kept. On two days the inspections were allowed on 14/06/2007 and 19/06/2007, based on which the Complainant asked for some more documents by his request dated 20/06/2007. These were also provided by the Opponent and a compliance report was filed before this Commission on 09/07/2007. The Complainant was still not satisfied and demanded action against the Opponent. We have gone through all the

documents submitted before us and find that the Opponent has taken all possible care to provide the information to the Complainant. The Complainant, however, pointed out a few documents which were not attested by the Opponent as "true copy". This should be done by the Opponent in the next one week. In the event, nothing survives in the complaint and we are not inclined to take any further action against the Opponent, as we find that the Opponent has taken due care to comply with the request of the Complainant as far as possible. Accordingly, the complaint is dismissed.

Announced in the open court on this 16th day of August, 2007.
