CHAPTER I

INTRODUCTION

- 1.1 The Parliament enacted the Right to Information Act, 2005 (Central Act 22 of 2005) which was assented to by the President of India on 15/6/2005. The provision of the entire Act came into force w.e.f. 12th October, 2005.

1.2 **OBJECTIVES OF THE ACT**

The main objective of the Act is to enable the citizens to secure access to information under the control of the public authorities in order to promote transparency and accountability in the functioning of every public authority and also to contain corruption.

CHAPTER II

2.1 **CONSTITUTION OF STATE INFORMATION COMMISSION**

In pursuance of the sub-sections (1) of section 15 of the said Act, the Government of Goa by the notification No. 10/2/2006/LA dated 02/03/2006 published in the Official Gazette Series I No. 14 dated 02/03/2006 constituted Goa Information Commission consisting of State Chief Information Commissioner and one State Information Commissioner.

2.2 **APPOINTMENT OF STATE CHIEF INFORMATION COMMISSIONER AND STATE INFORMATION COMMISSIONER**

In terms of the provision of sub-section (3) of section 15 of the Act, Shri. A. Venkataratnam, IAS (Retd.) and Shri. G. G. Kambli, Retired, Goa Civil Service (Selection Grade Officer) were appointed as Chief Information Commissioner and State Information Commissioner vide order No. DI/INF/Notification/6964 and No. DI/INF/Notification/6965 both dated 27/02/2006 respectively.

- 2.3 Shri. A. Venkataratnam, State Chief Information Commissioner and Shri. G. G. Kambli, State Information Commissioner subscribed their oaths of office on 21/03/2006.

- 2.4 Shri G. G. Kambli, State Information Commissioner had sudden demise on 01/01/2009.

- 2.5 Shri Afonso Araujo, District Judge (Retd.) was appointed as State Information Commissioner vide Order No. DI/INF/Notif./2008/8847 dated 19/02/2009 after sudden and untimely demise of Shri G. G. Kambli, Ex - State Information Commissioner. Shri Afonso Araujo subscribed his oath on 4th March, 2009.
- 2.5 Shri A. Venkataratnam, State Chief Information Commissioner retired on 08/03/2009 (B.N.) on completion of his tenure in the Commission.

CHAPTER III

OFFICE ACCOMMODATION

- 3.1 Initially, the Commission started functioning from the residence of Shri. A. Venkataratnam, State Chief Information Commissioner and thereafter, temporarily, the Government allotted two shops both admeasuring 78.29 sq. mts. on the Ground Floor of Shrama Shakti Bhavan, Patto Plaza, Panaji, the possession of which was handed over on 8/6/2006.
- 3.2 The Commission continues to function from the said premises though it was too inadequate and lack basic amenities. The Commission has to face lot of difficulties and embarrassment as the advocates, officers and citizens who attend the hearings before the Commission were made to stand in the varandah i.e. passage of the premises. The Commission cannot hold its sittings in the open Court.
- 3.3 The Commission had identified a vacant premises at 4th floor situated at Patto Plaza belonging to Goa State Co-operative Bank Ltd. The Bank quoted the monthly rent of Rs.1,17,375/- and maintenance charges of Rs.85,000/- per month. The P.W.D. had assessed the monthly rent at Rs.1,17,375/- excluding maintenance charges. The Government did not agree with the proposal to take on lease the premises belonging to the Goa State Co-operative Bank Ltd. and asked to seek further clarification from the P.W.D. The matter has been referred to the P.W.D. for clarification on 25/2/2008 but the Commission did not receive any response from the P.W.D. (till the August, 2008).
- 3.4 In the meantime, the Commission released advertisement in the local newspapers inviting offers from the owners/builders to take on lease the premises but there was no response. Hence, second advertisement was released and the

Commission has received the offers from LIC Ltd. and the Condor Polymeric Pvt. Ltd. offering their premises on lease. The matter was referred to the P.W.D. to assess the reasonability of the rent and the maintenance charges quoted by the bidders which was received on 3/04/2008. Thereafter, a proposal was sent to Government recommending the premises of Condor Polymeric Pvt. Ltd. on 8/5/2008. Though the administrative approval was given by the Government on 5/6/2008, the Finance Department did not agree to the proposal (09/07/2008). Because of inordinate delay in the decision by the Government and the Finance Department, the premises of both L.I.C. and Condor Polymeric Ltd. were also not available as they were already leased out. Thus, neither the Government provided proper premises to the Commission nor was it allowed to hire from private source.

3.5 Now the Commission has received one offer from M/s. Gold Star Construction Co. Pvt. Ltd., Mumbai for an area admeasuring 2,804.00 per sq. ft. in Tri Star Bldg. located at Patto, Panaji at the basic rent of Rs.85.00 per sq. ft. per month plus maintenance charges. P. W. D. Div. I has assessed the rent of Rs.86,218.00 p.m. M/s. Gold Star has given their final offer at Rs. 70.00 per sq. ft. p.m. plus maintenance. The matter is being processed.

3.6 Government vide letter No. GAC/12601/Accom/728 dated 13/09/2009 and informed the Secretary, Goa State Information Commission, that it is separately examining the issue of suitable accommodation to Information Commission.

CHAPTER IV

OFFICERS AND STAFF

4.1 SECRETARY

Shri. P. S. Meena, Civil Service Officer from selection grade continued as the Secretary of the Commission during the period under report.

4.2 UNDER SECRETARY –CUM – REGISTRAR

The post of Under Secretary remained vacant practically for the whole year as the Government did not fill up the said post. Shri. Ajit Panchawadkar who was appointed as an Under Secretary continued only for short period from 24/07/2007 to 03/09/2007 (40 days). Even during this time, he could not devote his entire time to his job as he was holding additional charge of another post. Thereafter, the Government appointed Shri. N. Prabhudesai as an Under Secretary who never reported and subsequently the Government kept the order in abeyance. Till the end of this year, no officer has been appointed as Under Secretary. The post of Under Secretary is also designated as a Public Information Officer and also functions as the Registrar of the Commission. Being Registrar of the Commission, Under Secretary has to discharge certain statutory duties under the Rules framed under the RTI Act. Besides being a Public Information Officer, all statutory duties are also assigned to the said post. The Commission could not appoint any other officer as Public Information Officer simply because there is not even one more

officer of his rank. It is unfortunate that the Commission which gives orders to the public authorities to designate their Public Information Officer, itself does not have Public Information Officer. Finally, Government appointed Smt. Meena H. Naik Goltekar as Under Secretary w.e.f. 25/02/2009.

4.3 The post of Section Officer was vacant from 1/9/2007. After a lot of correspondence, another Section Officer has reported for duties on 5/2/2008. Though the provisions of Section 16(6) of the RTI Act contemplates that the Government shall provide adequate staff to the Chief Information Commissioner and State Information Commissioner for smooth and efficient functioning of the Commission, no personal staff was provided to the Chief Information Commissioner and State Information Commissioner. It is also note worthy to mention here that no post of Driver was sanctioned to the State Information Commissioner though a vehicle was purchased. The proposal for creation of additional posts including that of Driver was rejected by ARD. It is only when the matter was taken up again with the ARD, the ARD has recommended sanction of one post of Driver, 3 posts of Stenographer Grade – I and one post of Stenographer Grade – II, towards the fag end of the year on 15/02/2008. They are yet to be appointed. The Government in the Finance Department laid down the pattern of personal staff (4 persons) of the Chairman/Vice Chairman of the Corporations/Autonomous bodies by their order dated 5/9/2002. The Commission is an autonomous body as per section 15(4) of the Right to Information Act. The State Election Commission is allowed the personal staff as per this order. The Information Commission is neither allowed to recruit its own staff nor is given the minimum personal staff as per the already laid down Government order. So much for the autonomy of the Information Commission. The ARD rejected the proposal for the creation of the posts of an Accountant, Assistant and Peons.

4.4 SERVICE CONDITIONS OF THE OFFICERS AND STAFF

The Government vide notification No.DI/INF/RTI/2006/4531 dated 01/11/2006 has prescribed the service conditions of the officers and other employees of the Commission. The rules framed by the Government provided that the employees of the Commission are to be appointed either from transfer or on deputation only from the Department of Information and Publicity leaving no scope for the Commission to select the employees from other departments/offices which are totally in contravention of the provision of section 15(4) of the RTI Act. Besides, the Director of Information and Publicity has retained the powers of the appointing authority of the employees of the Commission thereby having dual control over the employees of the Commission. In other State Commissions, the employees are appointed by the Commission either on deputation from various departments/private organizations and even on contract basis which is not the case of the Goa State.

The Commission has suggested certain amendments to the existing rules and the proposal has already been forwarded to the Director of Information and Publicity vide note dated 10/03/2008. Nothing is yet heard about the proposal (July, 2008).

CHAPTER V

FUNDS

5.1 An amount of Rs. 86.00 lakhs has been provided under Budget Head 2220, 03 (Goa State Information Commission) (Plan) to meet the expenses of the

Commission. Though the powers to the Secretary to the Government are delegated to the Secretary of the Commission, for each and every proposal, the Commission has to approach the Government and the Finance Department for concurrence. The powers of the Secretary to the Government are also delegated for limited purpose. During the financial year 2008-09, the Commission has incurred an expenditure of Rs. 71.01 lakhs.

- 5.2 During the next financial year (2009-10), an amount of Rs.127.00 lakhs has been provided in the budget estimate as Grants-in-Aid.

CHAPTER VI

HEAD OF THE DEPARTMENT

- 6.1 The Secretary of the Commission has not yet been declared as the Head of the Department for the purposes of Goa Delegation of Financial Power Rules, 1997, even though the Commission right from its inception is insisting the same.

6.2 BUDGET CONTROLLING AUTHORITY

The Secretary is also not declared as the budget controlling authority though separate budget heads are provided to the Commission. As a result, the Director of Information and Publicity continues to be the budget controlling authority of the Commission which is in gross violation of the provision of section 15(4) of the RTI Act. The Government has not even informed its inability to do so. (June, 2008)

CHAPTER VII

- i) To conduct/organize training programme specially to the Public Information Officers, Assistant Public Information Officers and first Appellate Authorities in a phased manner and so that 100% training is achieved;
- ii) To take up the work of indexing and cataloguing of the records on war footing and make the list available on the website;

- iii) To constitute a State Level Committee under the Chairmanship of Chief Secretary to ensure the proper implementation of the RTI Act. The Secretary of the Commission may also be taken as one of the members of the Committee;

- xiv) To expedite the appointment of the Government Counsel wherever a decision is taken by the Government to appoint such Counsels before the Commission. 7.3 The Department of Information and Publicity has informed that the Goa Institute of Rural Development and Administration had organized various workshop/orientations programmes for various functionaries. As can be seen from the information furnished by the Director of Information and Publicity, during the year under report, one State level programme and three workshops were organized, in which 475 numbers of Government officials/academic institutions participated. A list of the officers who were trained is at **Annexure IX**. The Director of Information and Publicity has informed that 189 public authorities in the State are covered under the Right to Information Act and almost all the public

authorities have complied and published necessary information on the NIC website. However, in an Appeal No. 127/2007 he has filed the details of the public authorities which have complied with the provisions of section 4(1)(b) of the Right to Information Act. As per the information submitted in the said case, some of the public authorities have not yet complied with the preparation of 17 points manuals. However, this list does not contain the detailed address, phone and fax number and email address of the Public Information Officer. The same has not been published in accordance with provisions of section 26(3)(b) of the Act.

11.5 Though more than two years have been passed from the enactment of the Act, the Government has not compiled in its official language a guide containing the information in comprehensible form and manner reasonably required by a person who wishes to exercise any right conferred under the Act as required by sub-section (2) of section 26 of the Act.

CHAPTER XII

FRAMING OF RULES

12.1 As per section 27 of the RTI Act, the Government has to make the rules under the various provisions of the RTI Act. So far the Government of Goa has prescribed the following rules: -

12.3 The Hon'ble High Court of Bombay has not yet published the rules in the Official Gazette of Goa and therefore, the Commission is not receiving any returns from the District Courts and subordinate Courts.

CHAPTER XIII

DISPOSAL OF APPEALS AND COMPLAINTS BY THE COMMISSION

13.1 As on 01/04/2008, 32 appeals were pending for the disposal before the Commission. The Commission received 322 appeals during the period under report and disposed off 215 appeals as on 31/03/2009. 107 appeals are pending for disposal. The details are shown in **Annexure II**.

13.2 Similarly, 24 complaints were pending at the commencement of the year, 81 complaints were received and 68 complaints were disposed off during the period under report. The details are shown in **Annexure I**.

13.3 PENALTIES

During the period under report, the Commission imposed the penalties in 5 appeals and 5 complaints. The name of the Public Information Officer and the amount of penalties imposed on them are shown in **Annexure VI**.

13.4 WARNING

Apart from imposing the penalty proceedings, the Commission has taken lenient view in certain cases where the Public Information Officers have erred for the first time and therefore, the Commission has issued the warning to the Public Information Officers in some of the cases.

CHAPTER XIV

RECEIPTS AND DISPOSAL OF REQUESTS BY THE PUBLIC INFORMATION OFFICER

14.1 As per the information received by the Commission from various Public Authorities, 8296 requests were received and 7207 requests were disposed off by the Public Information Officers in time and 807 were disposed off after the time allowed. The details are shown in **Annexure X**. Maximum number of requests 1711 were received by the Panchayat Department. The request received by top 5 Departments are 4384, which constitute 60.8% of total requests received. The details are at **Annexure VIII**.

14.2 APPEALS

As per the last year report of the Commission, 96 appeals were pending for disposal with the various First Appellate Authorities. As per the reports received from the public authorities, 416 appeals were filed and 255 appeals have been disposed off by the various public authorities. The details of which are shown in **Annexure XI**. Maximum number of First and Second appeals were filed against Panchayat Department.

14.3 REJECTION OF REQUESTS

In all 208 requests were rejected by various Public Information Officers out of 8296 filed before them (2.5%). In 216 appeals, the First Appellate Authorities did not pass any order, out of 336 first appeals before them (26%). The appeals were filed not only against rejection but also where part information or incomplete/incorrect information was given. Thus, we can see that the Public Information Officers have generally given the information though not to the full satisfaction of the citizens. However, the First Appellate Authorities were generally found to be wanting in discharge of their duties. The Commission could not act against them as there are no penal provisions in the Right to Information Act against the First Appellate Authorities. 215 Second appeals were disposed out of 322 Second appeals filed.

14.4 AMOUNT OF FEES AND CHARGES COLLECTED

The total amount of Rs.57,196/- towards the fees and Rs.1,72,562/- towards the amount of charges have been collected by the various public authorities under the Act during the financial year.

CHAPTER XV

15.1 RECOMMENDATIONS

The Commission makes the following recommendations to Government for a time bound action:—

1. The State Government should develop adequate infrastructure for Information Commission and strengthen them by providing suitable accommodation to the Commission on priority basis for its effective functioning.
2. The State Government should make adequate budgetary provision for development of public awareness programme on RTI Act and implement such programme on regular basis.
3. The State Government should ensure that provision of section 4 of the RTI Act are implemented by all their public authorities also all public authorities should update their records, improve their infrastructure etc. from within their resources by making provision in their budget. All Public Authorities should complete the process of digitization at the earliest and their controlling Departments at State level should lay down a details road map for this purpose within time bound said implemented the same on priority basis.
4. In the last report Commission had recommended constitution of a State Level Committee under the Chairmanship of Chief Secretary with the Secretary of the Commission as one of the members of the Committee & two separate sub-committee to be constituted for the local self Government i.e. Municipalities and Panchayats to be considered for implementation on priority basis as the applications seeking information have increased considerably and to advise on the evolution of effective implementation of RTI across the Goa State.
5. In the last report, Commission had also recommended to Government to conduct/organize training programme specially to PIO/APIO/FAAs in a phased manner to achieve 100% result and also to take the work of indexing and cataloging of the records on footing and make the list available on the website. But such an effort is not very much seen.
6. Any other rules or press notes should be well publicized similary guidelines on this subject also be published.
7. To include RTI as one of the subject at the Higher Secondary level and above.
8. To appoint PIOs and First Appellate Authorities wherever it is not been done.
9. To issue instructions/guidelines to all the Public Authorities to appoint an Officer of appropriate level to represent First Appellate Authority whenever they are unable to remain present in person as the Commission has observed that very low level Officer represents the Appellate Authorities who are unable to defend the interest of the First Appellate Authorities.
10. To ensure that the Public Information Officers/First Appellate Authorities did not seek adjournments of the hearing.
11. Every public authority should send necessary material to its Administrative Ministry/Department soon after the end of the year so that the Ministry/Department may send the information to the Commission for incorporating the same in its Annual Report.
12. In many case the First Appellate Authorities do not give a decision or they give an ambiguous decision about giving information. The purpose of First Appeal is to reduce the number of Second Appeal to the Commission by giving

information to the applicant at the level of the Public Authority itself. But the First Appellate Authority have a tendency to give a decision to give information rather than to ensuring that information is actually given. It should be noted by Government that for these reasons the number of appeals is increasing with the Commission.

13. The State Government should integrate RTI with all flagship programmes, the same way as has been done in case of NREGA.
14. The State Government should ensure that all Panchayats have responsible Public Information Officers.
15. The Government should restructure their work processes so as to make then compatible with RTI Act.
